Anderson v. General Motors Corp.  
Chapter 11 Case No. 09-50026 (REG.)

Anderson Claim No 51093

Claimant John W. Guest John W. Guest  
403 W. Randall Ave  
Rialto, CA 92376  
909 384 2004

Amstell having problems with the motor in  
my 2002 GM Chevrolet Silverado Truck P/U with  
piston trouble that should of been fixed by GM  
along with valve springs too that also had fixed.

I think that GM should pay for Attorney  
fees separately from the settlement from GM and  
out of claimants settlement.
